Dear Mr. Sepehri:

The Department of Transportation (Caltrans) received a bid submitted by RSB Group, Inc., (RSB) for Contract 08-0R4404 on March 15, 2016. Caltrans notifies RSB that its bid is nonresponsive since RSB did not comply with the 2010 Revised Standard Specifications, Section 2-1.34, Bidder's Security, which states in part:

"...If using a bidder's bond, you may use the form in the Bid book. If you do not use the form in the Bid book, use a form containing the same information."

Caltrans requires a bidder to submit a bond that is 10 percent of the bid. The bond provided by RSB limits the bond to the difference between RSB's bid and the next lowest bid. This language is not acceptable.

Based on the above, Caltrans will proceed to award the contract to the lowest bidder, provide that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
